Annual Progress Report-2022/2023

1) About CHETANA

Chetana is a non-governmental, nonprofit-making, social, developmental organization, founded to work for development in and around Sarlahi district.

Young, energetic, change-seeking and enthusiastic youth came together to build its foundation and worked to establish it as a social development organization in 2000 (AD), registering it with District Administration Office under Organization Registration Act 2034, and affiliating Chetana with Social Welfare Council (SWC) in 2003 (AD).

CHETANA has been initiated by a group of well-qualified and experienced professionals who have several years' experiences in the area of natural resources management and integrated community development sectors. It intends to carry out socio-economic and environmental activities, research and advocacy campaigns which identify the constraints and fulfil peoples' desires and need. To work in different spheres of development concerns, CHETANA's team members, volunteers, and specialists are engaged in developing sector-wise development plan and strategies to ease the participatory process.

This is how the seed of CHETANA was sown. It has now grown into a dynamic and vibrant organization in the span of more than half decade.
